

ABOUT INSTITUTE

Govt. College of Engineering Karad (GCoE), a premier institute in Western Maharashtra established in 1960 due to the efforts of Late Yashawantrao Chavan, former Deputy Prime Minister of India. This is an autonomous institute of Govt. of Maharashtra and is acting as a vital education center for many years.

Institute offers 5 UG programs in Civil, Mechanical, Electrical, Information Technology and Electronics & Telecommunication Engineering and also 8 PG programs viz Civil (Construction Management & Structural Engg.), Mechanical (Heat Power Engg., Design Engg. & Production Engg.), Electrical Engineering (Power Systems), Computer Engg. and Master of Computer Applications (MCA).

GCoE Karad is one amongst the eleven institutes from Maharashtra state selected for participation in the third phase of Technical Education Quality Improvement Program (TEQIP-III) - an ambitious project of Government of India.

The institute is spread over 40 acres of serene and green campus and is predominantly a residential campus. Karad city is situated on the confluence of rivers Krishna and Koyna and is well connected by rail and road (NH 4 – Pune Bangalore). Nearest airport to Karad are Pune and Belgaum.

ABOUT THE CONFERENCE

The objective of **4th International Conference on Advances in Civil & Structural Engineering (ICASCSE - 2020)** is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over India to present their research and development activities in Civil Engineering. International Conference on Advances in Civil Engineering (ICASCSE - 2020) will be held in Karad during April 24-25, 2020.

DATE AND VENUE

The conference will be held during **April 24-25, 2020** at Auditorium of Government College of Engineering, Karad.

THEMES

- Geotechnical Engineering
- Transportation Engineering
- Environment Engineering
- Water Resources Engineering
- GIS & Remote Sensing
- Materials in Civil Engineering
- Structural Engineering
- Computing in Civil Engineering
- Construction Management
- Climate Change
- Soft Computing Tools

The sub themes of conference are available on website www.icacse2020.in.

CALL FOR PAPERS

The papers related to the themes mentioned above and related with civil/structural engineering are invited from the faculty members of engineering colleges and polytechnics, working engineers, scientists, research scholars, PG students and NGO's working in related areas. The detail guidelines for submission of paper are given on conference website www.icacse2020.in.
